

May 13

Argentine Consulate
as instructed by the
Hon. George St. John
London
23rd Feb 1863

To His Excellency
Don Porfirio Rufino de Elizalde
Excellency

My last was dated the
8th inst. and I have just
had the honour to receive
the despatch of your
Excellency dated 15th of
January with some
valuable information
regarding the current
rates for labour in
Buenos Ayres.

In conjunction with
Mr. Rickard I am giving

21 April
I am very interested
as much attention as
possible to the Emigration
question and I am
glad to find a growing
disposition on the part
of young men in London
and elsewhere to seek
their fortunes in the
Republic.

On this and other
points I shall have
the honour to address
Your Excellency more
fully by the Mail
of the 8th of March.

Yours faithfully
Mr. Richard D. Webb

By this mail I
forward a copy of
the Statistical Return
of the United Kingdom
for the year 1861
obtained from the Board
of Trade.

I also inclose some
newspaper slips,
and beg to remain,
Your Excellency's
most faithful Servt.
M. B. Sampson.

During the past fortnight
there has been no alteration
in the prices of any
Buenos Ayres Securities.
